

DecoFLOCK®

- Provides the 3-dimensional look and feel of soft velvet
- Lower cost alternative to embroidery
- Premium is a denser flock, which allows for finer detailed designs
- Economy is a good choice for blockier designs
- Pressure-sensitive carrier enables easy weeding and repositioning

Acceptable Fabrics

Cotton, Uncoated Polyester, Acrylic, Fabric Blends, and similar fabrics
Excluding Nylon

Test on dazzle cloth and other moisture-wicking polyesters. Moisture-wicking materials have better adhesion when washed and dried using no fabric softener or blotted with rubbing alcohol before pressing. Be advised that dye migration has occurred with low energy dyes in polyester and poly-blend fabrics.
